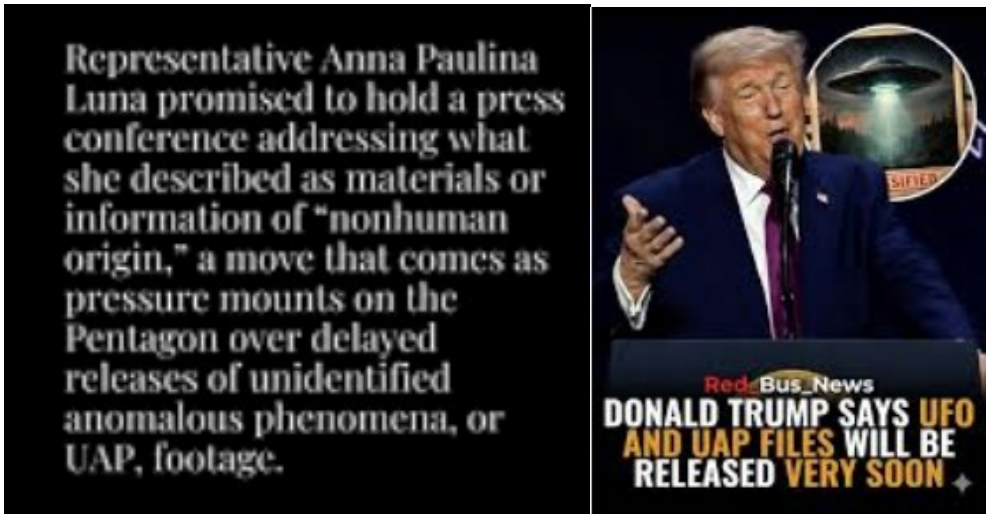
WHEN DEMON
MONSTERS
(THE REAL ALIENS)
INVADE EARTH
Aliens are not interstellar beings traveling through space; they are interdimensional entities, what the Bible calls demons, fallen angels. Our government has been in contact with demons. Don't be deceived

This is David Hodges whose father worked with German Scientist when he was in the military. David learned a lot from his father about the misinformation, disinformation and lies the government engages in. Right now as David is saying our government is refusing to release the UFO files even under direct orders from Congress.

ANNA PAULINA LUNA SAYS SHE VIEWED SECRET UFO PHOTOS THAT COULD NOT BE MADE BY HUMANS
• U.S. Rep. Anna Paulina Luna detailed her experience with what she described as an unidentified flying object (UFO) during an interview on the Joe Rogan Experience podcast
• The Florida Republican said the sighting occurred when she was serving as a airfield manager in the U.S. Air Force. At the time, she was stationed at Portland Air National Guard
• She said she saw an airspace incursion, which is the unauthorized entry of an aircraft into a designated area of airspace

HOWEVER, WILL DISCLOSURE BE A LIE?

THIS REP. CONGRESSWOMAN SAYS THE FBI SHOWED HER UFO FOOTAGE SO STRANGE, SHE'S NOW FIGHTING TO MAKE IT PUBLIC.
ANNA PAULINA LUNA SAYS SHE VIEWED SECRET UFO PHOTOS THAT COULD NOT BE MADE BY HUMANS



Representative Anna Paulina Luna promised to hold a press conference addressing what she described as materials or information of "nonhuman origin," a move that comes as pressure mounts on the Pentagon over delayed releases of unidentified anomalous phenomena, or UAP, footage.

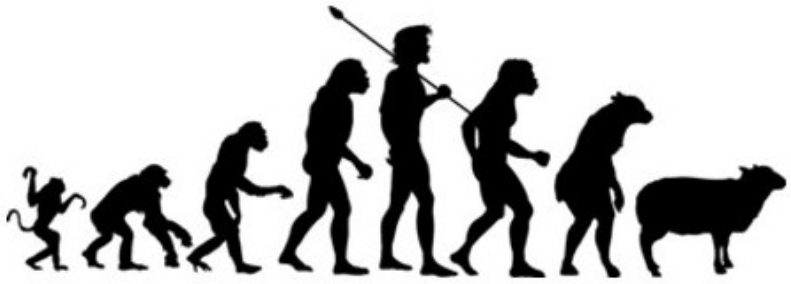
IT APPERS THAT THE END TIME DELUSION OF MANKIND DISCLOSURE WILL BE RELEASED INSTEAD BY THE POWERS THAT BE. WATCH YOUR BACKS.

We have been warned in prophecies and by the ancient people that at the End of the Earth Ages Periods mankind will be confronted with a lie that most people will believe. This is obviously going to be centered around lies regarding aliens, what their covert agenda's are and who they are. Prophecies and Jesus warned us about this END TIME DELUSION OF MANKIND ahead of time but as usual the warning will fall on the DEAF EARS OF THE SLEEPING SHEEPLE.



THE SHEEPLE

The leaks that are coming out tell us that the public will be fed a bucket full of lies about aliens, who they are, what their real agendas are and where they actually come from which are not planets. These are evil other dimensional beings who have nothing but evil on their minds.

If you study what the ancients said about them and various prophecies you will learn that they are the enemies of mankind just as Jesus and the Apostle taught.

If the SLEEPING SHEEPLE do not wake up soon they will be lead to the slaughter.

History, legends and ancient races all referred to them as the evil gods and said they were evil and demonic. The occult is lead by these demonic beings which is where Hitler supposedly received the plans to build UFO's.

Prophecy is telling us that they will be coming back today for their last Harrah. They will loose and so will their DEEP STATE COMRADS but in the mean time they will take many SLEEPING SHEEPLE WITH THEM that fall inline with the END TIME DECEPTIONS OF MANKIND.

Reports of the deaths and disappearances of 11 U.S. scientists have sparked national attention, with questions swirling about whether the incidents are connected. On Friday (April 17), Rep. Eric Burlison (R-Mo.) called for a closer look at the cases, pointing to potential links involving classified aerospace, defense, and UAP-related work. Physicist Michio Kaku, familiar to Coast listeners, has also weighed in on the issue.

The story gained traction after President Donald Trump said an investigation was underway. According to the New York Post, the White House is working with the FBI and other agencies to review the incidents, with Press Secretary Karoline Leavitt stating that officials are looking for any possible connections.

Among those cited is retired Air Force General William "Neil" McCasland, reportedly missing since February. His background at Wright-Patterson Air Force Base, long associated with UFO lore, has fueled speculation. The 2022 death of researcher Amy Eskridge, linked in some reports to advanced propulsion concepts, has also drawn renewed attention.

For longtime listeners, the cases echo earlier inquiries into unexplained deaths among microbiologists explored by Steve Quayle in the early 2000s. Are these incidents connected, or simply a coincidence that feels larger than it is? Share your thoughts with us on our Facebook page.

These scientists were working on projects that are associated with alienology, technology etc., that are going to be related to the End Time Delusions of Mankind. Meaning that they were VERY LIKELY taken out because of what they knew. They were whistleblower archetypes.

THESE ARE REAL FLESH AND BONED BEINGS NOT WHISPY GHOST LIKE DEMONS PLAYING PEEK A BOO IN THE SKIES.
